In this issue, we have different topics. Youth Day, fun events, a love letter, and great experiences from Slovenia!

Last month, I was on the wonderful Erasmus+ program in Slovenia: CulSolidArt. It was an incredible experience for me. It was a program led by the youth organization Društvo Kreativne Mladine. Under the auspices of the European Union's Erasmus+ Youth in Action program, in collaboration with the Slovenian National Agency MOVIT, the event provided a fertile ground for emotional exploration and expression.

This unique gathering carved out a space for cultural exchange and self-discovery, fostering an environment where diverse backgrounds converged. The nighttime atmosphere came alive with a culinary marketplace, where the flavors of different cultures melded seamlessly, connecting not only taste buds but also hearts. One of the remarkable facets of the experience was the opportunity for participants to view the world through a different lens. The focus extended beyond mere observation, diving into the realm of active participation. By volunteering and engaging with vulnerable communities, such as the Roma community, LGBTQIA+ individuals, refugees and migrants, the elderly, and the homeless, attendees delved into the intricacies of empathy and solidarity.

The journey led us to real-life encounters with these marginalized groups, fostering acts of compassion and understanding. Whether it was preparing meals alongside the homeless, painting vibrant murals at the Intergenerational Centre, or making upcycled patches while exploring disability issues, each experience left an indelible mark on both the participants and those they connected with.

Art, too, played a profound role in channeling emotions. Through diverse workshops encompassing dance, music, painting, drawing, and poetry, attendees were given the freedom to express themselves without boundaries. This unbridled creativity became a vessel for the multitude of emotions coursing through the event, producing unique and heartfelt works of art.

The event underscored that growth often stems from collective efforts. Working together in groups, we honed their creative and teamwork skills through non-formal methods. The fusion of emotions and learning experiences kindled a sense of enthusiasm and dedication among the youth, serving as a reminder that true transformation is a product of shared passion and unwavering commitment.

Međunarodni dana mladih

Međunarodni dan mladih obilježava se svake godine 12. kolovoza, a prvi put je obilježen 12. kolovoza 2000. godine s ciljem da se mladi uključe u društvo, slave svoja postignuća te da vladajućima privuku pažnju o važnim pitanjima koja se tiču kvalitete života mladih i drugih globalnih pitanja.

Ove godine tema obilježavanja Međunarodnog dana mladih je „Zelene vještine mladih: Ususret održivom svijetu“. Pomak prema ekološki održivom i klimatski neutralnom svijetu je ključan, ne samo kao odgovor na globalnu klimatsku krizu, već i za postizanje ciljeva održivog razvoja.

LOVE LETTER FOR MY ENDLESS LOVE

DEAR PUNK,

I HAVE TO START BY SAYING HOW MUCH I MISS YOU. I HAVEN'T SEEN YOU FOR ALMOST 8 MONTHS AND DURING THIS TIME I REALIZED ONCE AGAIN HOW BIG A PLACE YOU HAVE IN MY HEART. IT IS A VOID THAT CANNOT BE FILLED UNDER ANY CIRCUMSTANCES. THE HOUSE FEELS DIFFERENT WITHOUT YOUR PRESENCE YOUR PLAYFUL ANTICS, THE WAY YOU WOULD CURL UP IN YOUR FAVORITE SUNLIT SPOT, AND THE GENTLE SOUND OF YOUR PURRING THAT USED TO SOOTHE ME ON EVEN THE TOUGHEST DAYS.

I'LL NEVER FORGET THE FIRST DAY I CAME TO PICK YOU UP. YOU BEAT THE CRAP OUT OF ME. TO TELL YOU THE TRUTH, I WAS PRETTY SCARED THAT DAY. BUT I WANTED TO LIVE WITH YOU SO MUCH THAT I BELIEVED WE COULD GET THROUGH IT. THANKS TO OUR RELATIONSHIP, YOU ARE NOW THE WORLD'S MOST NON-VIOLENT CAT.

I OFTEN FIND MYSELF REMINISCING ABOUT THE MOMENTS WE SHARED TOGETHER. REMEMBER WHEN YOU USED TO KNOCK THINGS OFF THE TABLE JUST TO GET MY ATTENTION? AT THE TIME, IT MIGHT HAVE BEEN A BIT FRUSTRATING, BUT NOW THOSE MEMORIES BRING A SMILE TO MY FACE. YOUR INDEPENDENT SPIRIT AND UNIQUE PERSONALITY BROUGHT SO MUCH JOY TO MY LIFE.

IN THE QUIET MOMENTS OF THE DAY, I FIND MYSELF YEARNING FOR YOUR COMPANIONSHIP. I MISS THE SOUND OF YOUR SOFT PURRING, THE WAY YOU WOULD WEAVE BETWEEN MY LEGS AS I WALKED, AND THE SIGHT OF YOU BASKING IN THE SUN'S WARM EMBRACE. YOUR UNIQUE PERSONALITY BROUGHT SO MUCH LIFE TO OUR HOME, AND IT'S JUST NOT THE SAME WITHOUT YOU.

THE NIGHTS ARE ESPECIALLY QUIET WITHOUT YOUR GENTLE MEOWS AND THE SOUND OF YOUR FOOTSTEPS PADDING ACROSS THE FLOOR. I MISS THE WAY YOU WOULD CURL UP BESIDE ME AS I READ OR WATCH SOMETHING, PROVIDING A WARM AND COMFORTING PRESENCE.

AND OF COURSE YOUR FAVORITE GAME. CATCHING THE HAIRPINS AND BRINGING THEM TO ME. WHEN I WAS PLANNING TO GO TO SLEEP, YOU'D COME AND STAND OVER ME, WITH A HAIRPIN IN YOUR MOUTH, WAITING FOR ME TO THROW IT AWAY SO YOU COULD PLAY. YOU'D KEEP PLAYING FOR HOURS IF I LET YOU. I MISS IT ALL SO MUCH.

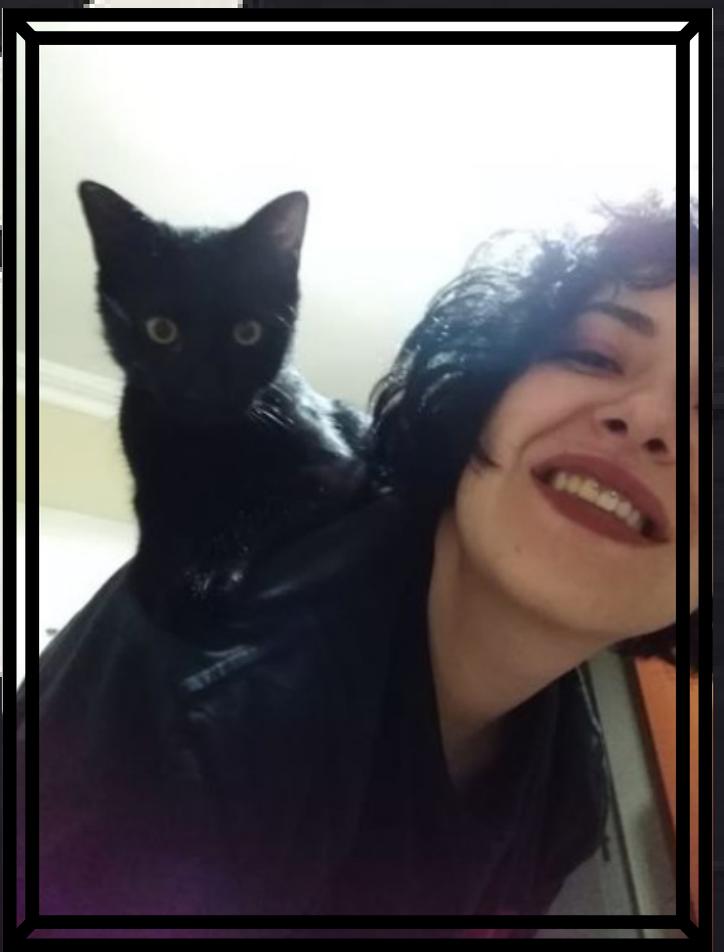

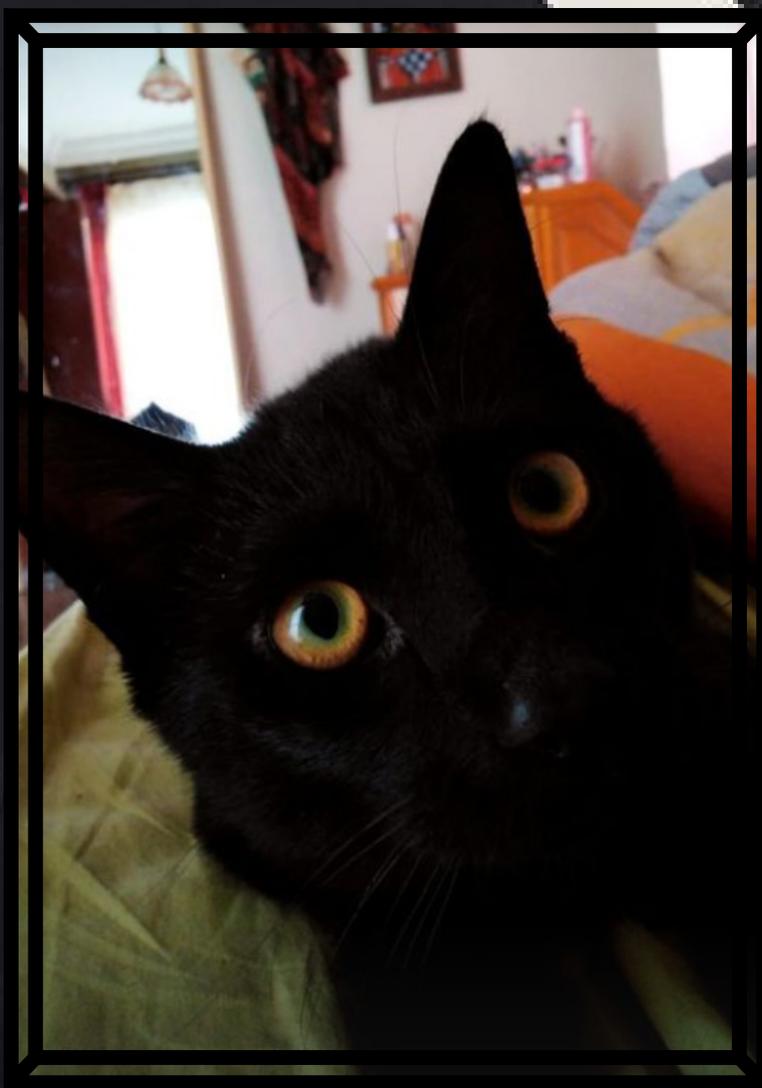

YOU'VE ALWAYS BEEN A VERY CLEVER, STRATEGIC, AND FUNNY CAT. I'M SURE YOU ARE STILL WAITING FOR NEW ADVENTURES AT HOME, PREPARING LITTLE SURPRISES AND TRAPS FOR MY BROTHER. I WANT YOU TO KNOW THAT YOU'RE ALWAYS IN MY THOUGHTS. I HAVE SOME OF OUR PHOTOS TOGETHER, AND LOOKING AT THEM BRINGS BACK A FLOOD OF EMOTIONS. I CHERISH THE TIME WE HAD AND THE BOND WE SHARED.

EVEN THOUGH WE'RE APART PHYSICALLY, PLEASE KNOW THAT THE LOVE I HAVE FOR YOU IS AS STRONG AS EVER. I HOPE YOU'RE SAFE AND HAPPY AT OUR LOVELY HOME. YOUR PAW PRINTS ARE FOREVER IMPRINTED ON MY HEART, AND I EAGERLY AWAIT THE DAY WE CAN BE TOGETHER AGAIN. UNTIL THEN, REMEMBER THAT YOU ARE DEEPLY MISSED AND ENDLESSLY LOVED.

WHILE I WAIT FOR THE DAY WHEN WE CAN BE REUNITED, KNOW THAT YOU ARE THOUGHT OF, MISSED, AND LOVED MORE THAN WORDS CAN EXPRESS. I HOPE YOU'RE EXPLORING NEW ADVENTURES AND FINDING COMFORT AND HAPPINESS WHEREVER YOU ARE. UNTIL THE DAY COMES WHEN I CAN HOLD YOU CLOSE AGAIN, KEEP A PIECE OF MY HEART WITH YOU, AS YOU WILL FOREVER HOLD A PIECE OF MINE.

WITH ALL MY LOVE AND LONGING,

*AYS

SUMMARY OF CULSOLIDART

From 14th to 23rd of July, a youth organisation Društvo kreativne mladine hosted Youth Exchange in Hodoš/ Murska Sobota called “CulSolidArt” where 36 young people gathered from Romania, Hungary, Portugal, Croatia, Estonia and Slovenia. Main objective was to combine culture, solidarity and art. The project was founded by European Union in the frame of Erasmus+ Youth in Action programme and Slovenian National Agency MOVIT.

TEAM WORK MAKES THE DREAM WORK

Creating a safe environment for expressing and getting to know other cultures in a fun and creative way. By night, we organized a cuisine market where we connected culture and taste buds.

THROUGH A DIFFERENT LENCE

Learning what we can do through volunteering and how to be aware of vulnerable groups (Roma community, LGBTQIA+, refugees and migrants, elderly, homeless) in our cultures. What we can take as example from others experience and how we can implement it in our country/organisation.

EMOTIONAL ROLLERCOASTER

Visiting real examples of mentioned vulnerable groups and showing the act of solidarity. In a homeless shelter, we came closer to the homeless people by preparing meals with them. We also painted a mural in the Intergenerational Centre making it more joyful. In the Youth Centre we had a workshop regarding people with disabilities where we created upcycle patches. In addition, we visited the Youth Crisis Centre in Murska Sobota.

NO RULES, JUST TOOLS

Discover diverse art workshops: dance, music, painting, drawing and poetry. Express your unique art with no rules, just pure freedom to create. Unleash your creativity and let your imagination soar.

EXPLORING IN THE RAIN
Visiting Ljubljana and House of European Union. Through city-run game, we explore city and we collected points in a game by visiting most famous and historical places of Ljubljana. Rain didn't wash out our smiles in search of Ljubljana memories.

YOUTH CENTRE - OFFICAL OPENING
We enjoyed more creative workshops in the Youth Centre of Murska Sobota and prepared its opening day. In the afternoon, we welcomed the city Mayor who was very happy about the work being done there. We went around the city to spread positivity among the locals and invite them to an informal gathering.

PRACTICE MAKES IT PERFECT
Working in groups with different expressive technics where we gained new creative and teamwork competences though non-formal methods which makes it more enthusiastic to youngsters.

LJUBLJANA

In my exploration of Ljubljana, I had the opportunity to experience it all.

The fusion of cultures and architectural styles creates a Venice-like ambiance. The city is stunning and tranquil, reminiscent of scenes from a movie. And then, with a bit of energy left from a leisurely walk along the river, you can ascend to the castle at the top.

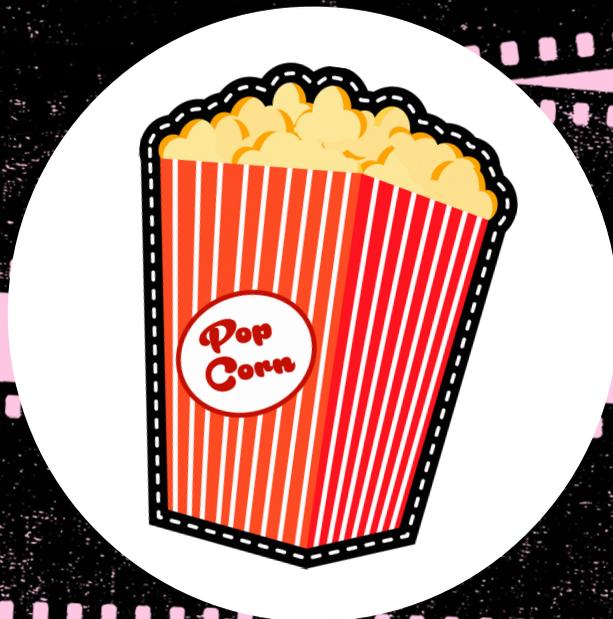

From there, you're almost left breathless, taken aback by the sheer beauty, of course.
